Scheduling of Classroom courses

Classroom courses are scheduled upon demand. If you'd like to take a classroom course, please email askphbi@phbi.ca with the course name and the city where you'd like the classroom course to be held. We will place your name on the wait list and will schedule the course and contact you as soon as there are enough interested students.

Canada-Alberta Job Grant

Reimbursement for 2/3rds of your training costs!

Under the Canada-Alberta Job Grant, an employer is eligible to receive up to \$10,000 in funding per employed trainee and up to \$15,000 per unemployed trainee per fiscal year (April 1 to March 31). Eligible travel costs can be requested for funding.

There is an individual employer cap of \$300,000 of approved funding per fiscal year (April 1 to March 31).

This generous grant makes it an excellent time to do additional training that would not normally be done without this grant funding. PHBI is an eligible third-party training provider under the grant to deliver in-house, classroom or online training.

The training needs to be preapproved by the government prior to registration. PHBI recommends that applications be submitted 45 days before the course start date to allow enough time for the government to review the application.
